

RESOLUTION NO. 2024 – JHA – 10

APPROVAL AND AUTHORIZATION FOR THE JACKSONVILLE HOUSING AUTHORITY ACTING CEO TO EXECUTE YARDI SOFTWARE SYSTEMS SASS SUBSCRIPTION AGREEMENT

WHEREAS, the Jacksonville Housing Authority is requesting the Board's approval to execute the Yardi Software Systems SAAS Subscription Agreement for a one year term commencing March 1, 2024 attached as Exhibit A; and

WHEREAS, Jacksonville Housing Authority (JHA) requires critical Information Technology systems and software to support essential business functions. Yardi Housing Management Software ("Yardi") supports property management, voucher management, occupancy and property accounting business processes. This technology is proprietary to Yardi and is necessary for JHA in order to support the on-going business operations as well as future development and support of JHA's property and voucher management program. All Yardi applications are seamlessly integrated/interfaced with each other which will enable JHA to utilize one system to manage the agency rather than trying to interface multiple programs; and

WHEREAS, JHA actively monitors available software systems capable of providing an enterprise management system that meets JHA's varied and comprehensive critical information technology needs including engaging with competitors of Yardi and new software developers. Despite receiving demonstrations from potential companies, the current software packages available do not accommodate JHA's needs without the need to add additional software; and

WHEREAS, Yardi has been in use by the JHA for many years and moving to a new software system would cause major disruptions in daily operations and put a large financial burden on the Agency; and

WHEREAS, after researching and reviewing various software systems including the GSA Schedule 70 contracts, JHA has determined that Yardi System, Inc. Yardi Cloud Saas Select qualifies as a sole source vendor, and therefore JHA may employ procurement by non-competitive proposal pursuant to §2 CFR 200.320(1) for the procurement of an information technology software system by the Agency and pursuant to JHA's Noncompetitive Procurement Justification attached as Exhibit B; and

NOW, THEREFORE, BE IT RESOLVED BY THE JACKSONVILLE HOUSING AUTHORITY THAT, the Jacksonville Housing Authority Board of Commissioners hereby approves and authorizes the Acting CEO to execute the attached Yardi Software Systems

Yardi will use commercially reasonable efforts to provide as much notice to Client as reasonably possible under the circumstances for emergency maintenance/repair downtime outside the aforementioned standing hours.

3. **Term and Termination.**

a. **Term.** This Agreement will commence on the Effective Date and shall remain in full force until Client's fifth Anniversary Date (the "Initial Term") unless earlier terminated in accord with section 3(c) (Termination for Cause). Upon expiration of the Initial Term, this Agreement shall automatically renew for successive 1-year terms (each a "Renewal Term") unless a party provides written notice of non-renewal at least 30 days prior to expiration of the then-current (Initial or Renewal) Term. The Initial Term and Renewal Term(s) shall be collectively referred to as the "Term."

b. **Intentionally Omitted.**

c. **Termination for Cause.** Either party may terminate this Agreement upon written notice to the other party if the other party materially breaches this Agreement and fails to cure such breach within 7 days of written notice of a material breach, or if the breaching party cannot reasonably cure the material breach within 7 days, the breaching party fails to initiate cure within 7 days and fails to continuously and diligently work to cure the breach until the breach is cured. Termination pursuant to this section 3(c) (Termination for Cause) shall be effective upon delivery of written notice after expiration of the applicable cure period.

d. **Effect of Termination.** Upon the effective date of this Agreement's termination or expiration: (i) the license for the Licensed Programs and Licensed Programs Documentation will terminate; (ii) Client will cease Use of the Yardi Cloud, Yardi Cloud Services, Licensed Programs and Licensed Programs Documentation; (iii) Client's access to the Yardi Cloud and Licensed Programs will be disabled; and (iv) Client shall pay any Undisputed Fees to Yardi.

e. **Survival.** The parties' obligations under, and the provisions of, sections 4 (License Fees), 8(b) (Limited Liability for Unauthorized Client Data Access), 9 (Confidentiality), 10 (Warranties), 11 (Damage Limitations), 13 (Indemnification), 15 (Assignment) and 18 (General Provisions) shall survive this Agreement's termination or expiration.

4. **License Fees.**

a. **Fees.** Client agrees to pay Yardi the Fees in accordance with the payment terms set forth in Schedule A (Fee Schedule).

b. **Failure to Pay.** Client's failure to timely pay any Undisputed Fee when due is a material breach subject to the terms of section 3(c) (Termination for Cause). Additionally, Undisputed Fees shall accrue interest from their due date until paid at the rate of 1.5% per month or the maximum rate allowed under applicable law whichever is less.

c. **Taxes.** The Fees are exclusive of any tariff, duty, or tax, however designated, levied, or based including, without limitation, any taxes based on: (i) this Agreement; (ii) the Licensed Programs, Yardi Cloud, Yardi Cloud Services, or Deliverables; (iii) Client's Use of the Yardi Cloud, Yardi Cloud Services, or Licensed Programs; (iv) the Licensed Programs Documentation; or (v) any materials or supplies furnished by Yardi per this Agreement. Client is responsible for all applicable tariffs, duties, or taxes (exclusive of taxes based on Yardi's net income) applicable to this Agreement.

d. **Partial Fee Disputes.** If Client reasonably and in good faith disputes any Fees, and provides notice in accord with section 18(f) (Notices) of such dispute, Client agrees that any undisputed portion of such Fees are Undisputed Fees and Client agrees to timely pay any such Undisputed Fees.

5. **Implementation and Training.**

a. **Third Party Software and Hardware Requirements.** Client is solely responsible for purchasing, installing, and maintaining, at Client's expense, any third party software and hardware necessary for Designated Users to access the Yardi Cloud and Use the Licensed Programs and Yardi Cloud Services. Yardi shall not be liable for any such third party software or hardware, and Client acknowledges and agrees that any assistance provided by Yardi in connection with such third party software and hardware shall not alter Client's responsibility or Yardi's liability disclaimer under this section 5(a) (Third Party Software & Hardware Requirements).

b. **Location.** Implementation and training services may (at Client's election) take place at a location specified by Client or via telecommunications. Yardi will bill Client for initial implementation/training services as indicated in Schedule A (Fee Schedule). Client may request additional on-site implementation/training services [i.e., in addition to the on-site implementation/training services set forth in Schedule A (Fee Schedule)] at any time and Yardi will make commercially reasonable efforts to timely accommodate Client's request. Additional on-site implementation/training services are subject to the parties' mutual agreement on: (i) the schedule for performance of the additional services; and (ii) Yardi's Fees for the additional services. Client acknowledges and agrees that no recording of any sort (whether audio, visual, or otherwise) of Yardi Implementation/Training services is allowed under this Agreement or otherwise.

c. **On-Sites.** Client acknowledges that in-person implementation/training service visits at a Client location require a minimum visit of 8 hours per visit. Client agrees to pay all expenses associated with on-site visits incurred in accordance with Yardi's then-current travel and expense policy. Client acknowledges that training services for more than 12 Client trainees require Client to pay for 1 additional Yardi trainer for each 12 Client trainees in excess of 12. Client agrees that Client must pay for any implementation/training services cancelled less than 10 business days prior to their scheduled date.

d. **Data Conversion.** Yardi will bill Client for electronic data conversion services, if initially ordered, at the rate stated in Schedule A (Fee Schedule). Absent an agreement to the contrary, Client shall otherwise be solely responsible for data conversion, data

preparation, data entry and data verification, and any post-conversion clean-up. Additional Yardi data conversion services [i.e., in addition to any initial data conversion services set forth in Schedule A (Fee Schedule)] are subject to the parties' mutual agreement on: (i) the schedule for performance of the additional services; and (ii) Yardi's Fees for the additional services.

e. **Testing.** Client shall have 90 days commencing upon the Effective Date (the "Testing Period") to test the Licensed Programs, Yardi Cloud and Yardi Cloud Services. At any time during the Testing Period, Client may elect to cease Use of the Licensed Programs, Yardi Cloud and Yardi Cloud Services and cancel this Agreement, in which event Yardi will refund to Client all amounts paid by Client to Yardi pursuant to this Agreement less reasonable amounts [determined by reference to the Fees/rates indicated in Schedule A (Fee Schedule)] for initial set-up, implementation, training and support of the Licensed Programs, Yardi Cloud and Yardi Cloud Services provided prior to Client's notice of cancellation pursuant to this section 5(e) (Testing).

6. **Users and Passwords.**

a. **Designated Users.** Client agrees that its exercise of the license granted by this Agreement shall only be through its Designated Users. Client's license to access and Use the Yardi Cloud and Licensed Programs is limited as provided in Schedule A (Fee Schedule). Each Designated User must have a unique Password.

b. **Password Assignment.** Client's application support POC(s) will be Designated Users, will designate the other Designated Users, and will provide each other Designated User with a Password. Each Password shall be personal and unique to the applicable Designated User, and may not be used by anyone other than such Designated User. Each Password may only be used from 1 computer at any given time. Client shall be responsible for maintaining Designated User Password security.

c. **Client Obligations with Respect to Designated Users.** Client shall inform each Designated User of this Agreement's terms and restrictions and shall enforce such restrictions. Client agrees to notify Yardi if Client becomes aware of any failure of a Designated User to adhere to the license terms and restrictions in this Agreement.

7. **Application Support & Upgrades.**

a. **Application Support Service.** Yardi will provide application support and upgrades for the Licensed Programs as set forth in this section 7 (Application Support & Upgrades).

b. **Client Contacts.** Client agrees to appoint application support POC(s). Client may change the application support POC(s) upon advance written notice to Yardi. Yardi shall have no obligation to contact, or communicate with, anyone regarding application support and maintenance issues except Client's application support POC(s). Client acknowledges that it is Client's responsibility to keep Client's application support POC(s) current, and to notify Yardi of any changes.

c. **Yardi Contacts.** During initial implementation, Yardi shall appoint an account manager to Client's account. After initial implementation, Yardi will either assign Client to an account manager or an application support team. Yardi may change the identity of individual account managers from time to time upon notice to Client. Client's application support records relating to Client will be available to Yardi's entire application support team at all times.

d. **Application Support Services.** Yardi shall provide application support for the Licensed Programs through its account managers and technical staff to Client's application support POC(s). Application support does not include on-site installation, implemen-

tation, training, or testing of the Licensed Programs, nor does it include data conversion. Those services, if initially ordered, are specified in Schedule A (Fee Schedule). Yardi's application support service team will use commercially reasonable efforts to address and solve Client's issues but cannot guarantee satisfaction in every case.

e. **Total Hours Included.** Client's annual application support allotment is specified in Schedule B.

f. **Application Support Hours.** Yardi's application support hours are from 5:00 am to 5:00 pm (Pacific Time) Monday through Friday (excluding holidays).

g. **Priority.**

(i) Yardi shall have the right to prioritize application support requests according to the application support issue's impact on Client. Yardi will prioritize application support requests in the following order:

Priority 1: Business halted (total inability to perform normal operation)

- Client will submit support requests by telephone to Yardi's application support number.
- Response as rapid as reasonably feasible – generally within 2 business hours.

Priority 2: Business impacted (severe restriction of Client's Use of the Licensed Programs – a potentially critical problem)

- Client will submit support requests by telephone to Yardi's application support number.
- Prompt response subject only to delays for priority 1 issues, generally within 4 business hours.

Priority 3: Non-critical service requests (any issue that is not a Priority 1 or Priority 2 issue)

- Client will submit support request by telecommunications to Yardi application support.
- Response subject to delays for priority 1 and 2 issues, generally within 1 business day.

(ii) Yardi will work on Priority 1 and 2 issues with continuous focus, and with Client's cooperation, through resolution.

h. **Standard Term.** Application support services are subject to this Agreement's terms and timely payment of all Undisputed Fees. Subject to the section 3(c) (Termination for Cause) notice and cure provisions, Yardi may suspend application support services if Client fails to timely make any Undisputed Fee payment.

i. **Obsolescence.** Yardi reserves the right to cease providing application support services for the Licensed Programs on the later of: (i) 3 years from the date on which Yardi ceases to license the Licensed Programs; or (ii) 5 years from the Effective Date. Yardi agrees to notify Client if and when Yardi will cease application support services in accord with this section 7(i) (Obsolescence).

8. **Client Data.**

a. **Client Data Storage.** Subject to Force Majeure Events, Yardi agrees to store Client Data on a virtual database server in the Yardi Cloud.

b. **Limited Liability for Unauthorized Client Data Access.** Yardi agrees to use: (i) firewalls and other technology generally used in the trade to prevent unauthorized third party access to its computer systems storing Client Data; and (ii) encryption technology generally used in the trade to prevent unauthorized third party access to Client Data transmissions. Notwithstanding the foregoing, Yardi shall not be liable to Client in the event that: (A) its use

of firewalls and other technology generally used in the trade fails to prevent unauthorized third party access to Client Data; or (B) its use of encryption technology generally used in the trade fails to prevent unauthorized third party access to Client Data transmissions. Nothing in this section 8(b) (Limited Liability for Unauthorized Client Data Access) shall constitute a representation or warranty by Yardi that Client Data storage or transmission will be inaccessible to unauthorized third parties.

9. Confidentiality.

a. **Confidential Information Definition.** "Confidential Information" means all technical and non-technical information including: (i) Client Data; (ii) patent, copyright, trade secret, and other proprietary information; (iii) inventions, know-how, processes, or algorithms; (iv) software programs, software source documents, object code, source code, database dictionaries, network diagrams, UML diagrams, Licensed Programs, Licensed Programs Documentation, Licensed Programs schema, Licensed Programs functions, Licensed Programs user interface screens, SSIS, data warehouse schema, cube specifications and configuration, the reports generated by the Licensed Programs, Yardi Cloud specifications and configuration, Yardi Cloud hardware specifications and configuration, and Yardi Cloud Services; (v) development, design details and specifications; (vi) a party's financial information; (vii) customer lists, business forecasts, sales and marketing plans and information; (viii) the prices offered or paid per this Agreement for Yardi's products and services; (ix) SSAE18 audit reports and any information related to SSAE18 audit reports; (x) any information related to PCI DSS compliance; (xi) this Agreement's terms; and (xii) any other information disclosed by a party, or to which a party is exposed because of this Agreement, that the disclosing party identifies as confidential at the time of disclosure or which – by its nature – reasonably should be regarded as confidential.

b. **Nondisclosure and Nonuse Obligations.** Each party (the "Receiving Party") agrees that it will not disseminate, distribute, expose, or in any way disclose any Confidential Information of the other party (the "Disclosing Party") to any third party. The Receiving Party may use the Disclosing Party's Confidential Information to the extent necessary to perform its obligations under this Agreement. The Receiving Party's employees and Contractors may use Confidential Information only for the specific business purpose for which it was made available and not for any other purpose. The Receiving Party's employees and Contractors may not use Confidential Information in any way that may compete with Disclosing Party. The Receiving Party may not disclose Confidential Information to its employees and Contractors for the purpose of enabling any such employees or Contractors to service, maintain, or modify the Licensed Programs. The Receiving Party agrees that it will treat all Confidential Information with the same degree of care as the Receiving Party accords its own Confidential Information, but in no event less than reasonable care. The Receiving Party agrees that it shall disclose Confidential Information only to those of its employees and Contractors who need to know such information, and the Receiving Party certifies that such employees and Contractors have previously agreed, either as a condition to employment or in order to obtain the Confidential Information, to be bound by terms and conditions applicable to the Receiving Party under this Agreement. The Receiving Party shall immediately give notice to the Disclosing Party of any unauthorized use or disclosure of the Disclosing Party's Confidential Information. The Receiving Party agrees to assist the Disclosing Party in remedying any such unauthorized use or disclosure of Disclosing Party's Confidential Information.

c. **Exclusions from Nondisclosure and Nonuse Obligations.** The Receiving Party's obligations per section 9(b) (Nondisclosure and Nonuse Obligations) shall not apply to Confidential Information that the Receiving Party can document: (i) was (through

no fault of the Receiving Party) in the public domain at or subsequent to the time the Disclosing Party disclosed the information to the Receiving Party; (ii) was rightfully in the Receiving Party's possession free of any confidentiality obligation at or subsequent to the time the Disclosing Party disclosed it to the Receiving Party; or (iii) was developed by the Receiving Party's employees or agents independent of, and without reference to, any information communicated to the Receiving Party by the Disclosing Party. A Confidential Information disclosure by the Receiving Party either: (A) in response to an enforceable order by a court or other governmental body; (B) as otherwise required by law; or (C) necessary to establish the rights of either party under this Agreement, shall not be a breach of this Agreement by the Receiving Party or a waiver of confidentiality for other purposes; provided, however, the Receiving Party shall provide prompt prior written notice of any such Confidential Information disclosure to the Disclosing Party (to the extent allowed by applicable law) to enable the Disclosing Party to seek a protective order or otherwise prevent such disclosure.

d. **Ownership and Return of Confidential Information.** The Disclosing Party's Confidential Information is and shall remain the Disclosing Party's property, and this Agreement does not grant or imply any license or other rights to the Disclosing Party's Confidential Information except as expressly set forth in this Agreement. Within 5 business days after the Disclosing Party's request, the Receiving Party will promptly either (at the Disclosing Party's election) destroy or deliver to the Disclosing Party all Confidential Information furnished to the Receiving Party, and the Receiving Party agrees to provide a written officer's certification of the Receiving Party's compliance with the foregoing obligation.

e. **Third Party Information Disclosure.** The Disclosing Party shall not communicate any information to the Receiving Party in violation of the proprietary rights of any third party.

10. Warranties.

a. **Limited Software Warranty.** Yardi warrants that the Licensed Programs will perform substantially as specified in the Licensed Programs Documentation. Yardi does not warrant that the Licensed Programs will meet Client's requirements and expectations.

b. **Remedy for Limited Software Warranty Breach.** If Yardi breaches the warranty set forth in section 10(a) (Limited Software Warranty), Yardi agrees to use commercially reasonable efforts to modify the Licensed Programs so that the Licensed Programs conform to that warranty. If such modification is not commercially reasonable, then Yardi will notify Client and Client may terminate this Agreement. In the event Client terminates this Agreement per this section 10(b) (Remedy for Limited Software Warranty Breach), Yardi will refund to Client, on a pro-rata basis, the annual Fees paid by Client to Yardi within the year prior to the effective date of Client's termination. THE FOREGOING REMEDY IS CLIENT'S SOLE REMEDY IN THE EVENT OF A BREACH OF THE WARRANTY SET FORTH IN SECTION 10(a) (Limited Software Warranty).

c. **Warranty Disclaimer.** EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, AND TO THE FULLEST EXTENT ALLOWED UNDER APPLICABLE LAW, YARDI DISCLAIMS ALL EXPRESS, IMPLIED AND STATUTORY WARRANTIES WITH REGARD TO THE LICENSED PROGRAMS INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

d. **Internet Performance Disclaimer.** Yardi does not and cannot control the flow of data via the internet. Such flow depends in large part on the performance of internet services provided or controlled by third parties. At times, actions or inactions of such

third parties can impair or disrupt the internet. Yardi will use commercially reasonable efforts to remedy and avoid such events, but cannot guarantee that such events will not occur. Accordingly, Yardi disclaims any liability resulting from or relating to such events.

11. **Damage Limitations.**

a. **Damage Waiver.** REGARDLESS OF ANY OTHER PROVISION IN THIS AGREEMENT, AND TO THE FULLEST EXTENT ALLOWED BY APPLICABLE LAW, YARDI DISCLAIMS ALL OBLIGATIONS AND LIABILITIES FOR SPECIAL, INDIRECT, INCIDENTAL, EXEMPLARY, PUNITIVE AND CONSEQUENTIAL DAMAGES, ATTORNEYS' AND EXPERTS' FEES, AND COURT COSTS (EVEN IF YARDI HAS BEEN ADVISED OF THE POSSIBILITY OF THESE DAMAGES), ARISING FROM OR IN CONNECTION WITH THIS AGREEMENT.

b. **Liability Limit.** IN ADDITION TO THE LIMITATIONS OTHERWISE SET FORTH IN THIS AGREEMENT, AND TO THE FULLEST EXTENT ALLOWED BY APPLICABLE LAW, CLIENT AGREES THAT IN THE EVENT OF ANY CLAIM OR CAUSE OF ACTION BY CLIENT ARISING OUT OF OR CONNECTED WITH THIS AGREEMENT, YARDI'S MAXIMUM LIABILITY TO CLIENT, REGARDLESS OF THE AMOUNT OF LOSS CLIENT MAY HAVE SUFFERED, SHALL NOT EXCEED THE FEES PAID BY CLIENT TO YARDI PURSUANT TO THIS AGREEMENT WITHIN THE YEAR PRIOR TO THE EVENT GIVING RISE TO THE LIABILITY.

12. **Ownership.**

a. **Yardi's Ownership.** Client agrees that, as between Yardi and Client, Yardi is and shall remain the sole and exclusive owner of all right, title and interest in and to the Licensed Programs, Deliverables, Yardi Cloud, Yardi Cloud Services, and Licensed Programs Documentation, and to all intellectual property rights in the foregoing. The only rights Client obtains in the Licensed Programs, Deliverables, Yardi Cloud, Yardi Cloud Services, and Licensed Programs Documentation are the licenses expressly granted to Client in this Agreement.

b. **Client's Ownership.** Yardi agrees that, as between Yardi and Client, Client is and shall remain the sole and exclusive owner of all right, title, and interest in and to Client Data. Client represents and warrants that Client has all necessary rights, title, and interest in and to all materials and/or content that Client provides for, or uploads to: (i) the database(s) associated with the Licensed Programs; (ii) the Yardi Cloud; and/or (iii) any Yardi-hosted site; including, without limitation, materials and/or content that Client provides for use on Client's RENTCafe portal(s) and documents that Client uploads to FillDocs, eDocs, or RentCafe Lease Documents (collectively, "**Client Content**"). Client acknowledges and agrees that Yardi has no responsibility or duty to review, approve, or pre-screen Client Content that Client provides for, or uploads to: (A) the database(s) associated with the Licensed Programs; (B) the Yardi Cloud; and/or (C) any Yardi-hosted site. Client grants Yardi a worldwide, non-exclusive, royalty-free license and right to use, reproduce, distribute, modify, and display Client Content in connection with Business Purposes. Client acknowledges and agrees that if a third party believes their copyright has been infringed by any Client Content, Yardi has implemented policies in accordance with the Digital Millennium Copyright Act, 17 U.S.C. Section 512, and Yardi reserves the right to remove any material found to be infringing under Yardi's aforementioned policies.

13. **Indemnification.**

a. **Yardi Indemnity.**

(i) **Indemnity.** Yardi agrees to defend, indemnify, and hold Client harmless from and against any third party claims, actions or demands alleging that Client's Use of the Yardi Cloud, Yardi Cloud Services, Licensed Programs, Licensed Programs Documentation,

and Deliverables in accordance with this Agreement's terms infringes on a third party's proprietary information, trademark, copyright, patent rights or intellectual property rights, or misappropriates a third party's trade secrets.

(ii) **Indemnity Conditions.** Yardi's defense and indemnification obligations per section 13(a)(i) (Indemnity) are conditioned upon the following: (I) Client providing Yardi with prompt written notice of any claim for which indemnification is sought; (II) Yardi having sole control of the defense and settlement of such claim, provided, however, that Client shall have the right to have any suit or proceeding monitored by counsel of Client's choice and at its expense; and (III) Client's reasonable cooperation with Yardi in the defense and settlement of the claim.

(iii) **Injunction.** If the Licensed Programs become the subject of a patent, trademark, copyright, or trade secret misappropriation or infringement claim, and such claim results – or is reasonably likely to result – in an injunction against Client's continued Use of the Licensed Programs, Yardi will: (I) replace or modify the Licensed Programs to avoid the misappropriation/infringement claim; (II) secure Client's right to continue Use of the Licensed Programs; or (III) if neither (I) or (II) is commercially practicable, either party may terminate this Agreement upon written notice to the other party.

b. **Client Indemnity.**

(i) **Indemnity.** Client agrees to defend, indemnify, and hold Yardi harmless from and against any third party claims, actions or demands alleging that Yardi's use, reproduction, distribution, modification, and/or display of Client Content for Business Purposes in accordance with this Agreement's terms infringes on a third party's proprietary information, trademark, copyright, patent rights or intellectual property rights, or misappropriates a third party's trade secrets.

(ii) **Indemnity Conditions.** Client's defense and indemnification obligations per section 13(b) (Indemnity) are conditioned upon the following: (I) Yardi providing Client with prompt written notice of any claim for which indemnification is sought; (II) Client having sole control of the defense and settlement of such claim, provided, however, that Yardi shall have the right to have any suit or proceeding monitored by counsel of Yardi's choice and at its expense; and (III) Yardi's reasonable cooperation with Client in the defense and settlement of the claim.

14. **Programming Services.**

a. **Programming Services.** Yardi provides programming services including, without limitation, database customizations, user interface customizations, database reports, database scripts and other programming services (collectively, "**Programming Services**").

b. **Programming Services Terms.** The Fees for Programming Services, if initially ordered, are set forth in Schedule A (Fee Schedule). Client will otherwise initiate Programming Service requests by providing written notice of the desired services to Yardi, and Yardi will advise Client of Yardi's availability and schedule for performing the Programming Services. Programming Services are subject to Client's written acceptance of: (i) Yardi's schedule for meeting Client's Programming Service request; and (ii) Yardi's Fees for such Programming Services.

c. **Deliverables License.** Subject to Client's full payment of all Undisputed Fees related to Programming Services, Yardi grants to Client a non-exclusive, non-transferable (except as expressly provided in this Agreement), limited license for Designated Users to Use the Deliverables in connection with their Use of the Licensed Programs, Yardi Cloud and Yardi Cloud Services.

15. **Assignment.**

a. **Assignment Limitation.** Except for the exceptions specified in section 15(b) (the "**Permitted Exceptions**"), Client shall not

(either directly or indirectly) assign, sell, convey, pledge, or otherwise transfer this Agreement without first obtaining Yardi's express written consent, which Yardi shall not unreasonably withhold. Except for the Permitted Exceptions, any attempted assignment made without Yardi's prior express written consent is void and a material breach of this Agreement.

b. Permitted Exceptions. Subject to the conditions precedent set forth in this section 15(b) (Permitted Exceptions), Client may assign this Agreement without Yardi's prior consent and upon notice: (i) to a wholly owned subsidiary; or (ii) in connection with any merger, acquisition, or reorganization involving Client. Any assignment is subject to the following conditions: (A) Client, or Client's successor, continuing in the same type of business that Client was conducting at the time of this Agreement's execution; and (B) Client or Client's successor providing to Yardi a written ratification and assumption of this Agreement (in a form reasonably satisfactory to Yardi) concurrent with the assignment.

16. Outsourcing.

a. Server Location. Yardi reserves the right to locate the virtual servers and other equipment needed to provide the Yardi Cloud either at its facilities or at the facilities of independent service providers. Yardi may change the location of the virtual servers and other equipment needed to provide the Yardi Cloud at any time during this Agreement's Term; provided that any such change of location shall not affect Yardi's obligations under this Agreement and shall not interrupt Client's access to the Yardi Cloud, Client Data, and Licensed Programs.

17. Mediation.

a. Mediation Request; Condition Precedent. In the event of a dispute arising out of or related to this Agreement which the parties are unable to resolve through direct negotiation, either party may serve upon the other at its principal place of business a request for mediation. Neither party may file an action against the other in any court, or initiate any other legal proceeding, unless and until the party seeking to do so has first requested a mediation hearing and made a good faith effort to complete the mediation process provided in this Agreement.

b. Mediation Process. The parties will select a neutral, independent mediator with experience in the relevant subject matter by the rules of the office of the Judicial Arbitration and Mediation Service (JAMS) closest to the mediation venue. The parties shall conduct the mediation not less than 10 or more than 20 days from the date the party requesting mediation gives notice of the request for mediation to the other party. The parties shall conduct the mediation in Santa Barbara, California. The parties shall equally bear the mediation costs.

c. Mediation Confidentiality. The parties shall maintain the mediation proceedings in confidence and shall not disclose to third persons the statements made in mediation by the other parties or the mediator. The mediation confidentiality provisions of California Evidence Code sections 1115 – 1128 shall apply to the mediation proceedings.

d. Mediation Statements; Attendee Authority. At least 5 days before the date of the mediation, each party shall provide the mediator and the other party with a statement of its position and copies of supporting documents. Each party shall send to the mediation a person who has authority to bind the party.

e. Non-Binding. If a party participates in good faith in a mediation and is dissatisfied with the outcome, that party may then invoke all legal rights and remedies available to the party at law or in equity.

18. General Provisions.

a. Independent Contractor Status. The parties agree that they are independent contractors and nothing in this Agreement is intended to make the parties partners, agents, joint venturers, or any other form of joint enterprise, or to make the employees, agents, or representatives of one of the parties into employees, agents, or representatives of the other party. No party to this Agreement shall have any express or implied right or authority to assume or create any obligations on behalf of the other party or to bind the other party to any contract, agreement, or undertaking with any third party.

b. Governing Law. This Agreement shall be governed and determined by the laws of the United States and the State of California as such laws are applied to agreements made and performed entirely within the State of California.

c. Venue. Any action or proceeding related to or arising out of this Agreement shall be resolved only in a court of competent jurisdiction in the City of Santa Barbara, State of California (or the court of competent jurisdiction closest to the City of Santa Barbara, CA if no court of competent jurisdiction resides in the City of Santa Barbara, CA), and the parties consent to the personal jurisdiction of such courts and expressly waive any right they may otherwise have to cause any such action or proceeding to be brought or tried elsewhere.

d. Injunctive Relief.

(i) Yardi Injunctive Relief. The parties acknowledge and agree that, if Client breaches any of its obligations under sections 2(a) (Licenses), 2(b) (Restrictions), 9 (Confidentiality) or 15 (Assignment), Yardi might incur irreparable harm and damage that might not be fully compensated with monetary damages. Accordingly, if Client breaches any provision of sections 2(a) (Licenses), 2(b) (Restrictions), 9 (Confidentiality), or 15 (Assignment) Yardi may seek specific performance of Client's obligations under those sections and injunctive relief against any further violations of those sections.

(ii) Client Injunctive Relief. The parties acknowledge and agree that, if Yardi breaches any of its obligations under section 9 (Confidentiality) Client might incur irreparable harm and damage that might not be fully compensated with monetary damages. Accordingly, if Yardi breaches any provision of section 9 (Confidentiality) Client may seek specific performance of Yardi's obligations under that section and injunctive relief against any further violations of that section.

e. Binding Effect. This Agreement is binding on and inures to the benefit of the parties and their permitted assigns, successors, and legal representatives.

f. Notices.

(i) The parties shall deliver any notice required by this Agreement by personal delivery, certified U.S. Mail return receipt requested, or established, reputable expedited delivery carrier providing proof of delivery service, and will be deemed given upon confirmed delivery to the party to whom it is intended at its record address. The record addresses of the parties are set forth below.

Goleta, CA 93117

(iv) Either party may change its record address by giving written notice of such change to the other party.

g. **Waiver.** The waiver of a party's breach of this Agreement shall not operate or be construed as a waiver of any other or subsequent breach.

h. **Severability.** If a court or other body of competent jurisdiction determines that any part of this Agreement is unenforceable, the remainder of this Agreement shall nevertheless remain enforceable.

i. **Headings.** This Agreement's section headings and captions are inserted for convenience only and are not intended to form a material part of this Agreement.

j. **Data Use.** Yardi may aggregate, compile, and use Client Data in order to improve, develop or enhance the Licensed Programs and/or other services offered, or to be offered, by Yardi; provided that no Client Data is identifiable as originating from, or can be traced back to, Client or a Client customer, tenant, or resident in such aggregated form.

k. **Entire Agreement.** This Agreement constitutes the final, complete, and exclusive statement of the agreement between the parties pertaining to this Agreement's subject matter and supercedes all prior and contemporaneous understandings or agreements of the parties. No party has been induced to enter into this Agreement by, nor is any party relying on, any representation or warranty except those inducements, representations and warranties expressly set forth in this Agreement.

l. **Non-Solicit/Non-Hire.** The parties agree not to solicit (other than a general solicitation to the public) the employment of, engage as an independent contractor, or hire, any employee of the other party while such person is an employee of the other party and until such person has not been an employee of the other party for 6 months.

m. **Modification.** The parties may only modify or amend this Agreement by a writing signed by both parties; provided, however, that Client may increase Client's licensed Designated User, property, unit, etc. count (as applicable) by delivering to Yardi a signed copy of Yardi's standard, approved form for such changes.

n. **Force Majeure.** Neither party shall be liable under this Agreement for failure or delay in performance caused by a Force Majeure Event. If a Force Majeure Event occurs, the party affected shall use commercially reasonable efforts to resume the performance excused by the Force Majeure Event.

o. **Right to Audit and Compliance.** In accordance with Yardi's obligations to credit bureaus, credit reporting agencies, and including Yardi's obligation to help prevent and detect potentially fraudulent and/or suspicious activity, Client acknowledges and agrees that Yardi may conduct random as well as regular monitoring of users' access to and use of the Yardi Cloud and Licensed

Programs as they relate to this Agreement in order to validate that users are accessing and using the Yardi Cloud and Licensed Programs for legitimate purposes and in accord this Agreement. Additionally, pursuant to any obligations Yardi has, or may have, under any laws or regulations concerning the prevention of identity theft, financial fraud, money laundering, terrorist financing, etc., Client agrees to comply with any standard Yardi 'know-your-client' requirements, processes, and/or procedures.

p. **Publicity.** Client agrees that Yardi may use Client's name and logo in client listings and Yardi marketing material upon Client's approval.

q. **Signature; Counterparts.** This Agreement is not binding on the parties until both parties have signed it and have received a copy signed by the other party. However, both signatures need not appear on the same copy of this Agreement, so long as both signed copies have identical contents. The parties may transmit signatures on this Agreement by electronic transmission, which shall be binding upon the parties. Counterparts with original signatures shall be provided to the other party within 5 days of electronic transmission; however, the failure to provide the original counterpart shall have no effect on this Agreement's enforceability or binding nature. If executed in counterparts, this Agreement will be as effective as if simultaneously executed.

For example, if Client reduces a product's Fee by 50%, the annual concession for that product shall be reduced by 50%.
2. For products licensed at multiple rates: In the event Client's portfolio is expanded, additional licenses shall be added to invoicing at the highest rate being charged for the applicable product. 4. In accord with Schedule A (Fee Schedule), Client may add additional licenses/services at any time, and any associated Annual Fee increases shall be prorated from the period the addition is made through the end of Client's then-current billing cycle. Client may also remove licenses/services upon the first day of each billing period (i.e., reduce Client's Annual Fee by such removals) through the execution of future addenda or online orders placed through Yardi Client Central.
5. **RentBureau Data Release and FPN Resident-Link Services:** If you choose to release data to RentBureau, a division of Experian Data Corp. (RentBureau), and if you choose to offer your tenants subscription-based identity theft protection services through Resident-Link powered by Fraud Protection Network® (FPN Resident-Link), additional terms apply, are incorporated into the Agreement, and are posted at [RENTBUREAU AND RESIDENT-LINK TERMS OF USE AND DATA RELEASE](#) (the **DR-TOU**). Note that you can release data to RentBureau without implementing FPN Resident-Link Services, but if you decide to offer FPN Resident-Link Services to your tenants, you must release data to RentBureau.
6. Client acknowledges and agrees that ETL for 1 foreign database is included with the core system, and it is to be used solely for the purpose of onboarding property data into the Client's database and with any other Yardi product for which ETL is recommended for use by Yardi to enhance product function. The foreign database included is not to be used as an interfacing tool with external systems except when ETL services are purchased separately.

EXHIBIT B

**Noncompetitive Procurement Justification
for Yardi Software Systems SAAS
Subscription Agreement for a One Year
Term Commencing March 1, 2024**

MEMORANDUM

Date: March 1, 2024

To: Vanessa Dunn, Acting CEO

From: Kelvin Noble, Interim Procurement Supervisor
Evann Morris, Director of IT

RE: Sole-Source Justification for a Contract with YARDI for Software Applications and Cloud-Based Services.

Jacksonville Housing Authority (JHA) Authority (JHA) requires critical Information Technology systems and software to support essential business functions. JHA requires the ongoing use of software systems that integrate public housing and voucher management program administration, federally mandated compliance activity, accounting and property management functions on one complete platform. Yardi Housing Management Software ("Yardi") supports property management, voucher management, occupancy and property accounting business processes.

This technology is proprietary to Yardi and is necessary for JHA in order to support the on-going business operations as well as future development and support of JHA's property and voucher management program. All Yardi applications are seamlessly integrated/interfaced with each other which will enable JHA to utilize one system to manage the agency rather than trying to interface multiple programs; and

Yardi has been in use by the JHA for many years and moving to a new software system would cause major disruptions in daily operations and put a large financial burden on the agency As JHA converts properties to RAD, the current software management system will not work. The Cincinnati Metropolitan Housing Authority has a need for updated software and cloud-based applications.

JHA actively monitors available software systems capable of providing an enterprise management system the meets JHA's varied and comprehensive critical information technology needs including engaging with competitors of YARDI and new software developers. Despite receiving demonstrations from potential companies, the current software packages available with not accommodate JHA's needs without the need to add additional software.

After researching and reviewing various software systems including the GSA Schedule 70 contracts, JHA has determined that Yardi System, Inc. Yardi Cloud Saas Select qualifies as a sole source vendor.

According to the HUD Procurement Handbook 7460.8 Rev 2, Section 8.5.A provides that

Memo re JHA's Noncompetitive Procurement Justification

Procurement by noncompetitive proposals shall be conducted only if a written justification is made as to the necessity of using this method in accordance with the procedures described in the PHA's procurement policy. Approval to award a contract resulting from a noncompetitive proposal does not eliminate or alter any other requirement of §2 CFR 200.320 governing the contract. The justification should include the following information:

1. Description of the requirement:

JHA requires critical Information Technology systems and software to support essential business functions. Yardi Housing Management Software ("Yardi") supports property management, voucher management, occupancy and property accounting business processes. This technology is proprietary to Yardi and is necessary for CJHA in order to support the on-going business operations as well as future development and support of JHA's property and voucher management program. All Yardi applications are seamlessly integrated/interfaced with each other which will enable JHA to utilize one system to manage the agency rather than trying to interface multiple programs.

2. History of prior purchases and their nature (competitive vs. noncompetitive);

The JHA uses the Yardi System for all its real property and asset management services and has since its implementation in 2008.

3. State the specific exception to §2 CFR 200.320(1); (1) through (4) that applies. State reason for this request (select one):

- (1) **The item is available only from a single source;**
- (2) **The public exigency or emergency for the requirement will not permit a delay resulting from a competitive solicitation;**
- (3) **The Federal awarding agency or pass-through entity expressly authorizes non-competitive proposals in response to a written request from the non-Federal entity;**
- (4) **After solicitation of multiple sources, competition is determined inadequate**

4. State the unique circumstances, if any, that will support a contract award by sole source or a non-competitive procurement?

The Yardi Housing Management System is proprietary software and, as such, is not supported or maintained by third parties. It is the only enterprise management system which offers a comprehensive solution for JHA's needs including LIPH, HCV, basic finance, procurement and purchasing, and grant management.

5. Describe the efforts made to find competitive sources (i.e., advertisement in trade journals or local publications; phone calls to suppliers; issuance of a written solicitation, etc.). Attach any market research information.

The Procurement Department researched the GSA Schedule 70 contracts. There were 532 companies for Term Software Licenses (Category 132-32). The Yardi software was the only one which included public housing, housing choice vouchers, property management, and finance.

Director of IT engaged in phone calls to suppliers and participated in several competitor demonstrations.

Memo re JHA's Noncompetitive Procurement Justification

6. State the efforts that will be taken in the future to promote competition for this requirement?

The Yardi Housing Management System is proprietary software and, as such, is not supported or maintained by third parties. JHA will continue to discuss solutions with other housing authorities and trade groups to learn of new comprehensive solutions if there is another change in the housing industry.

7. Attach Cost/Price Estimate Form and a Cost Analysis Breakdown (from proposed and previously related procurements) supporting the reasonableness of the proposed noncompetitive procurement price.

Attached to JHA paperwork.
